On the Internet some **hateful people** believe that ***the end of society as we know it is near***, and the preservation of traditional values is the only defense. For them, foreigners, migrants or refugees **"are"**:

## TAKE A SIDE

### BE ON THE CIVIL SIDE OF INTERNET AND HISTORY

The real experts say that **in a global society human mobility and diversity are an asset and not a threat**. These experts have various academic backgrounds, from economics to political or cultural studies. Most of the time **they have intercultural experience and a genuine interest in social cohesion and development**. Sometimes, they are themselves migrants or descendants of migrants.
