

ANTI-SEMITISM AND HOLOCAUST DENIAL / TRIVIALIZATION

On the Internet some **hateful people** say that *the Jews are rewriting history for their own benefit*. Because they **"know"** the Jewish community is and always has been:

Plotting to control world population and to impose the Jew supremacy

Overexaggerating Holocaust's fatalities

Looking to monetize Holocaust's memory in a so-called "Holocaust industry"

Planning a reversed Holocaust

Responsible for communism uprisal in Central and Eastern Europe

TAKE A SIDE

BE ON THE CIVIL SIDE OF INTERNET AND HISTORY

The real experts say that **Holocaust** was indeed **the most horrific extermination plan of the 20th Century**, supported by ideology, propaganda and brutal force. Most of the time, these **experts** are **academics** and **historians**. Sometimes, they are actual Holocaust survivors that want to assure that **NEVER AGAIN** such atrocities will take place across the globe.
