

COVID-19 HATE SPEECH

On the Internet some **hateful people** believe that **COVID-19 pandemic is nothing but a global experiment that would eventually lead to a New World Order.**

And they **"know"** who is to blame:

The Jewish community because they're conspirative and want to control the world

The Asian people because they're malicious and filthy

The LGBTQ+ community because they're promiscuous and sinners

The People of colour because they're filthy and uncontrollable

The Roma people because they're reckless and unsanitary

TAKE A SIDE

BE ON THE CIVIL SIDE OF INTERNET AND HISTORY

The real experts say that **COVID-19 pandemic** was caused by **SARS-COV 2**, a new coronavirus that is extremely infectious, unpredictable and subject to ongoing research. Real experts don't **KNOW** the answers, they **LOOK** for them.

They don't **BELIEVE**, they **SEARCH**.
Usually, they are well educated scientists.
